15 Plaintiff requested and was granted service on Defendant Howard by the United States
16 Marshal. Subsequently, with the intention of aiding service by the Marshal, Plaintiff filed a
17 memorandum with extensive personal data on Howard including his residences, vehicles and
18 family. The Court finds this information is not appropriate for the public record and will
19 order the document sealed. Additionally, this is not a recognized filing under the rules. As
20 directed, Plaintiff provided an address for Howard to the U.S. Marshal. They will attempt to
21 serve Howard at that location. That is what the Court ordered and that is their only obligation
22 at this time. If service is not completed based on the information currently provided to the
23 Marshal, the Court will consider whether alternative attempts are warranted.
